What if I am not eligible for AHCCCS Medical Assistance?

╋

If you are not eligible for AHCCCS Medical Assistance, you may be eligible for federal tax credits to help with your health insurance premiums. If you are not eligible for any programs through AHCCCS, we will send your information to the federal Health Insurance Marketplace to see about health insurance tax credits.

If you are waiting for your application to be processed or you are not eligible for AHCCCS Medical Assistance, you may qualify to receive drug and alcohol and mental health treatment services through other funding sources administered by the Regional Behavioral Health Authority, or RBHA. For more information, contact the RBHA in your area at: Central Arizona – (602) 586-1841 or toll-free (800) 564-5465; Northern Arizona – (800) 640-2123; or Southern Arizona – (866) 495-6738.

How does AHCCCS Medical Assistance work?

╋

If you are approved for AHCCCS Medical Assistance, you will receive your health care from an AHCCCS health plan unless:

- You are an American Indian and you choose American Indian Health Program as your health plan.
- You are only asking for help with your Medicare costs. If you are approved for one of the Medicare Savings Programs (QMB), AHCCCS may pay your Medicare premiums and Medicare coinsurance and deductibles.
- AHCCCS can only pay for your emergency services because of your status with United States Citizenship and Immigration Services (USCIS). If you are approved for emergency services only, you may receive medical services from any provider (doctor, hospital, etc.) that has an agreement to bill AHCCCS for covered emergency services.

How much does AHCCCS Medical Assistance cost?

Premiums:

- Most people do not have to pay a monthly premium for AHCCCS Medical Assistance.
- Some people with income too high to qualify for AHCCCS Medical Assistance with no monthly premium may be able to get it by paying a monthly premium. If you have to pay a premium, the premium amounts are:
 - \$10 to \$35 for customers on the Freedom to Work program.
 - \$10 to \$70 for customers on the KidsCare program.

Copayments:

- A co-payment is the amount you pay a health care provider when you receive a medical service. Your co-payment amount will vary depending on which AHCCCS program you are enrolled in and the services you need. For some AHCCCS programs, the provider can deny services if the co-payments are not made. Remember to report any changes in income because this may change your co-payment amount. Co-payments for services are:
 - $\circ~$ \$2.30 to \$10 for prescriptions.
 - \$0 to \$30 for non-emergency use of an emergency room.
 - \$3.40 to \$5 for outpatient visits for evaluation and management services including doctor's office visits.
 - \$2.30 to \$3 for physical, occupational or speech therapy.

The following people are never asked to pay co-payments:

- Children under age 19.
- People determined to be Seriously Mentally III (SMI) by the Arizona Department of Health Services.
- Individuals through age 20 who receive services from the Children's Rehabilitative Services (CRS) program.
- People who are residing in nursing home or residential facilities such as an Assisted Living Home and only when the acute care member's medical condition would otherwise require hospitalization. The exemption from co-payments is limited to 90 calendar days in a contract year.
- People who receive hospice care.

<u>The following services are always provided</u> <u>at no cost for anyone enrolled in an AHCCCS</u> program:

- Hospitalizations
- Services paid on a fee for service basis
- Emergency services
- Pregnancy related health care including tobacco cessation for pregnant women
- Family planning services

Do I have to give information about my citizenship and immigration status?

🕂 🎃 💲

To get the most help, you need to give us information about citizenship and immigration status for each person who is applying for help.

- Giving us the citizenship and immigration status for all people who are eligible for benefits allows us to include them in the Nutrition Assistance and/or Cash Assistance benefit. When you do not give us this information, it will not affect the eligibility of the people you are applying for who have given us verification of their citizenship or qualified non-citizen status, but it may affect the amount of the benefits for these people.
- If you choose not to give us information regarding immigration status but still want AHCCCS Medical Assistance, you may only be eligible for emergency medical services.
- You do not need to give us information about citizenship and immigration status for any person who is not applying.
- Under federal law, certain non-citizens such as refugees or political asylees may qualify for Medical Assistance, Nutrition Assistance, and/or Cash Assistance. For those non-citizens, United States Citizenship and Immigration Services (USCIS) guidelines state that use of these benefits will not affect your ability to become a Lawful Permanent Resident.
- If you are not applying for any benefits or if you chose not to provide citizenship or immigration information, we will not try to find out this information from USCIS.
- We will not report you, a family, or a household member to U.S. Immigration and Customs Enforcement (ICE) unless you inform us that you, your family, or a household member is in the U.S. illegally.
- Households with different immigration statuses may apply for benefits on behalf of U.S. citizen children and other eligible family members.

If you are denied, we will send you a letter explaining the reason for our decision.

How can I get my benefits when my application is approved?

لجه 🖕 🕂

If you are approved for AHCCCS Medical Assistance and/or help with Medicare costs, you will get an approval letter. You will get your AHCCCS ID card from your enrollment plan 10 to 14 business days after you get your approval letter. If you need medical services before you get your AHCCCS ID card, contact your enrollment plan.

If you are approved for Nutrition Assistance, Cash Assistance, and/or Tuberculosis Control, you will get an Electronic Benefit Transfer (EBT) card. This card works like a debit card. You will get a pamphlet with instructions on how to use your card. It can take up to 48 hours for the benefits to be available after approval. You can call the Customer Service number on the back of the card to check the balance of your benefits.

Important: It is illegal to use your EBT card to do any of the following:

- Withdraw Cash Assistance benefits at ATMs located inside liquor stores, casinos, and horse or dog racing facilities.
- Make purchases at Point of Sale machines located inside liquor stores, casinos, horse or dog racing facilities, adult entertainment establishments, or Medical Marijuana Dispensaries (A.R.S. §46-297)
- Use your EBT card to purchase lottery tickets.
- Pay for food purchased on credit with Nutrition Assistance benefits.

If you request more than three EBT replacement cards in a 12 month period, you will be required to contact DES to answer questions to determine whether fraud is being committed.

If you use more than 10% of your Cash Assistance balance on out-of-state purchases in a 6 month period, you will be required to contact DES to answer questions to determine whether fraud is being committed. If you lose your EBT card you may have to pay for a new one.

What is expected of me?

ج 🖕 📥 🕂

For all programs:

- You must provide DES and/or AHCCCS with the needed information to correctly determine your eligibility and authorize DES and/or AHCCCS to investigate and contact any sources necessary to confirm the accuracy of the information for your eligibility.
- If you are approved for benefits, you will get a letter telling you what changes you must report. You MUST report your changes timely.

+ \$

Program-specific expectations:

If applying for AHCCCS Medical Assistance, help with Medicare costs, and/or Cash Assistance, you must take necessary steps to obtain any annuities, pensions, retirement, and disability benefits to which you may be entitled, including, but not limited to, Social Security benefits, Railroad retirement, Veterans benefits and unemployment compensation.

+ \$

For AHCCCS Medical Assistance and/or Cash Assistance, you must give us any information you have about an absent parent. If you have reason for not providing this information (such as adoption pending, abuse, incest, neglect, etc.) you may claim good cause. You must cooperate with the Division of Child Support Services (DCSS) to establish paternity, unless you can prove good cause.

÷

For AHCCCS Medical Assistance, the requirement to cooperate with DCSS in establishing the identity of a child's parents and in obtaining medical support is suspended under a temporary waiver from 09/01/2023 through 06/30/2025.

Tell DES and/or AHCCCS right away if the customer has an/a: Increase or decrease in income; Increase or decrease in assets; Change in ownership of assets, including opening or closing financial accounts; Change in health insurance or the amount of premiums paid. Maintain confidentiality of any information regarding the applicant or beneficiary provided by the agency.

How do I begin the application process?

You must file an application to begin the application process. You may file an application with only your name, address, and the signature of a responsible household member or your authorized representative. This will hold your date of application.

Eligibility cannot be determined until we get a completed application. For Nutrition Assistance and Cash Assistance, you must also complete an interview.

In most cases, when you are eligible for benefits, benefits are provided from the date your application is received by our agency. This may not always be true for certain medical programs or when the application is filed while the applicant resides in an institution such as jail.

How will my information be used?

We will use your information to determine eligibility. We will computer match with state, local, and federal agencies and our other programs to verify information. Information available through the Income and Eligibility Verification System (IEVS) will be requested, used and may be verified through collateral contacts when discrepancies are found. This information may affect eligibility and the amount of benefits you will receive.

We may also use your information, including your SSN to:

- Verify identity
- Verify income and resources
- Prevent duplicate benefits
- Establish and enforce child support
- Collect money we overpaid to you in the form of benefits
- Share with other government agencies and their contractors to assess Nutrition Assistance and/or Cash Assistance program management and compliance

 Does anyone at your address buy and prepare his/her own food separately from others in the household?

Do I need a Social Security Number?

Applying and providing information is voluntary, but some information is required for the agency to make an eligibility determination. For example, every applicant must provide or apply for a Social Security number (SSN). (Immigrants who are not legally able to obtain a Social Security number are not required to provide one.) Therefore, if personal information is not provided, you may not be eligible for benefits. SSNs are verified through computer matching programs and may be shared with federal and state agencies or private claims collection agencies. For Nutrition Assistance, requesting your SSN is authorized under the Food and Nutrition Act of 2008.

When applying for Nutrition Assistance, persons in your household may choose not to get Nutrition Assistance benefits. These persons are not required to provide a SSN or citizenship/immigration information. However, for Nutrition Assistance and Cash Assistance, some persons in the household may be required to be included. The amount of Nutrition Assistance benefits depends on the number of persons requesting benefits, but eligible persons in the household can get benefits even though some of the persons in the household are not applying for benefits. Persons in the household who are not applying for benefits may be required to provide financial information (e.g. income) when it is needed to determine eligibility or the benefit amount for the persons who are applying.

Federal law requires that you provide a SSN for anyone who wants to get AHCCCS Medical Assistance, help with Medicare costs, Nutrition Assistance, Cash Assistance, and/or Tuberculosis Control (42 U.S.C. §1320b-7; 42 U.S.C. §405(c)(2)(C), 7 U.S.C. §§ 2011-2036, and Social Security Act (SSA) of 1935 (Section 1137) as amended by P.L. 98-369).

If you or anyone you are applying for does not have an SSN, we will refer you to the Social Security office to apply for one. Immigrants who are not legally able to get an SSN are not required to give one or apply for one. Any person you are applying for who is legally able to get an SSN but does not have one or does not apply for one will not be eligible for benefits.

If you are not applying for benefits for yourself, you do not have to give us your SSN. However, it may reduce the total amount of Nutrition Assistance and/or Cash Assistance benefits for the person you are applying for because we will not include you in the benefit amount.

We will not use your SSN as your DES or AHCCCS identification number.

We will not give any SSNs to the United States Citizenship and Immigration Services (USCIS).

Release of Information

I authorize DES and/or AHCCCS to investigate and contact any sources necessary to establish eligibility and the accuracy of financial information that pertains to AHCCCS and DES programs or benefits eligibility.

Assignment of rights to other benefits for Medical Care

I understand that if I am or members of my household are approved for DES and/or AHCCCS benefits, DES and/or AHCCCS can collect payment from any other parties who may be responsible for paying for my/our health costs. This includes:

- Private or employer-sponsored health insurance (not including Medical Assistance)
- Persons, such as an absent spouse or parent, who are legally responsible for providing medical support
- Private or employer-sponsored disability or accident insurance
- Insurance claims, jury awards, or legal settlements resulting from injuries

I understand that DES and/or AHCCCS cannot collect more than the costs paid by DES and/or AHCCCS.

I also understand that I must give information about other responsible parties and take any action needed to receive medical support. This includes establishing paternity of my children, unless I can prove good cause not to do so.

I understand that DES and/or AHCCCS and/or their contractors will release information to DES/ Division of Child Support Services (DCSS), for a parent of a child who does not live in the home and whose child has AHCCCS or private health insurance. DCSS may use this information to get a medical support order.

Assignment of rights to other benefits for Cash Assistance

State and federal law (A.R.S. 46-407) provide that the legal rights to child support and spousal maintenance must be assigned to the State of Arizona for all persons receiving Cash Assistance. I understand:

- While receiving Cash Assistance, the State has the right to keep child support or spousal maintenance collections, including support or spousal maintenance that was owed while Cash Assistance was paid.
- When Cash Assistance stops, current support payments will be paid to me. The state may continue to collect any assigned back payments for support (assigned arrears) owed before and during the time I received Cash Assistance.
- Child support payments will be used to pay back the state for Cash Assistance paid to me or anyone on my application.
- The State will not keep more from my collected current support or assigned arrears than the total amount of Cash Assistance I received.
- The State will not keep any arrears that are more than the total amount of Cash Assistance I received.
